The Mint of the United States at Philadelphia,
Superintendent's Office,

July 18, 1896.

Hon. Herman Kretz,
Superintendent.

Sir:

On March 31st last, this Department made requisition for a #00 Gates Crusher at a cost of $125. This machine is in place but is found to be too small for effective service. The Agent offers to replace it with the next larger size machine, at the net price of $400., and take the smaller one on account, at cost. ($125.)

I respectfully recommend that the exchange be made.

Very respectfully,

L. K. Butler
Melter & Refiner.
